For helping our children gain insight and inspiration, we sincerely thank –

Monetary Donations

- The Sikh Khalsa Foundation
- BNP Paribas Foundation
- BNP Paribas India, Credit Agricole Corporate & Investment Bank
- Indra Munshi
- Jin – X Healthcare Private Limited
- National College. As the eldest child, Sushmita has always made efforts to contribute towards the family. Her potential. She successfully completed her Bachelor in Science (Hons.) from St. Xavier's, Mumbai.

Sushmita Agarwal, an Aseema Alumni is a girl full of determination to excel has enabled her to maximise her potential. She successfully completed her Bachelors and XII and encourages her younger sisters and peers from her community.

Morally, the Aseema Alumni to complete their graduation. She clearly believes that failure will never overtake her if she works hard and determinantly to succeed.

For helping our children expand their horizon, our sincere thanks to –

Bajaj Electricals, BNP Paribas India Solutions Private Limited, Cravatex Limited, Crossword Kemps Corner, Jashn and the children worked on solving problems. They were also delighted to have a glimpse of Vedic Math.

In collaboration, Technokids and Rubik’s Cube Workshop, a Kaleidoscope of ‘Jonathan Livingston Seagull’ by Richard Bach where the children read, wrote and thought through the review. They discovered the importance of going beyond one’s comfort zone and overcame challenges through a systemic and logical approach. The children learnt to work collectively towards holistic and sustainable development of their communities.

On Teachers’ Day, we took the opportunity to appreciate the efforts of our teachers who have worked tirelessly towards achieving the educational goals with their students. The children were encouraged to work collectively towards holistic and sustainable development of their communities.
