“The future belongs to those who believe in the beauty of their dreams”.

- Eleanor Roosevelt

Naaz Parveen, Standard X student

As young children at Aseema, they have always been inspired to achieve their dreams. They have been taught to always have a dream so that life will have a purpose. A dream becomes a reality with positive thinking, determination and hard work. Playing the make believe game, ‘Doctor-Doctor’ at a tender age slowly shaped Naaz Parveen’s dream as she grew up. With a score of 86%, Naaz topped the S.S.C. Board Examination at the Santacruz (W) Municipal School (SMS). While awaiting the results, Naaz started working on her dream by preparing for the State Medical Entrance Test. As she embarks on this journey, we hope to see her emerge in flying colours and wish her the best in all her future endeavours.

Our sixth batch of Standard X students at the Santacruz (W) Municipal School excelled once again by achieving 95% at the S.S.C. Board Examination. Joining them were our children from Aseema’s Education Centre for Tribal Children in Igatpuri, who scored a 100% at the Level A, National Institute of Open Schooling (NIOS) examination. We earnestly thank you for enabling our children fulfil their dreams through quality education.

Dosi Vakeel Summer Camp

The Dosi Vakeel Summer Camp was once again a huge success as it helped the children relax and rejuvenate after working hard in the past academic year. The camp saw an overwhelming participation of children, proactively registering for numerous activities such as Language Development, Art & Craft, Composting, Cooking, Sports, Yoga, Dance and Music. The children’s enthusiasm and love for learning motivated the teachers and volunteers to do their best.

Summer Camp for Alumni Students

The Aseema Alumni students were encouraged to believe in their dreams and to follow a road map to execute them. It was heartening to see the students proactively seeking assistance to enhance their computer

skills this summer.

The teachers welcomed the children back to school to begin a new year of learning and leading. We hope this year presents opportunities for children and teachers to grow close together and continue their quest for learning. This year, the Kherwadi Municipal School will witness many new beginnings with its first batch of Standard X appearing for the S.S.C. Board Examination in March 2017 and commencement of additional classes of Pre-Primary and Standard I. With the threefold increase in enrolments at the Kherwadi Municipal School, we hope to reach out to many more children, to help them fulfil their dreams.

Construction of Phase II – Primary and Secondary Sections at Igatpuri

We are excited to give you a sneak peek of the progress made in the construction of Phase II – Primary and Secondary Sections at Aseema’s Education Centre for Tribal Children, Igatpuri. The construction of the Kitchen and Dining Block is also moving smoothly and will enable us to cater to the increasing number of enrolments this year. We truly appreciate your unrelenting faith in our work and look forward to the continuous support of all our donors and well wishers.

Cricket Match with Tata International at SMS

A friendly cricket match was organised between students of Santacruz (W) Municipal School and employees of Tata International. Batting first, the student’s team set a target of 63 runs for the guest team to chase. It was a bright and sunny day, both the teams showed good

sportsmanship spirit and brought forth their best sporting skills. The match helped the students to share valuable cricket skills with one another. Such platforms enable students to develop cordial relationships and to understand that through dedication, self discipline and commitment dreams can be achieved. The student team won the match and both teams were jubilant for a game well played.
