

“Education gives us the courage to spread wings and expand horizons”

– Students of the Pali Chimbai Municipal School

'Girls In Aviation Day'

At Aseema we consistently work towards instilling in our children the importance of believing in their dreams and having the courage to work towards achieving them irrespective of any hurdles. Our girls from the Santacruz and Kherwadi Municipal Schools participated in the 'Girls in Aviation Day' organized by Women in Aviation (WAI) and Air India. It helped them explore opportunities available to women in the Aviation Industry.

They also realized that with consistent effort and determination they could reach the sky.

At the Pali Chimbai Municipal School, Sujaya Batra of Cravatex Ltd. conducted a Book Review of 'Jonathan Livingston Seagull' by Richard Bach where the children read, wrote and thought through the review. They discovered the importance of going beyond one's comfort zone and pursuing what one truly believes in, irrespective of the challenges.

In collaboration with Technovanza and Rubik's Cube Mumbai Open (RCMO), a workshop on solving Rubik's cube was conducted at the Pali Chimbai Municipal School. As the children worked on solving the cube, they learnt one can overcome challenges through a systemic and logical approach. They were also delighted to have a glimpse of Vedic Math.

Rubik's Cube Workshop

Apart from academic pursuits, our children made us proud in the Sports arena too. Students from our Mumbai Schools participated in Handball and Judo competitions, bagging accolades at the District and State Levels. They won 5 gold, 2 silver and 4 bronze medals.

BMC Handball Competition

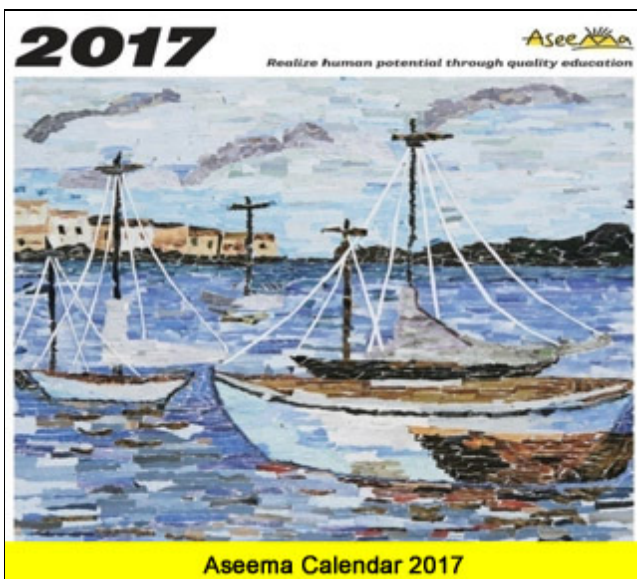

We observed the 'Antarashtriyā Adivāsī Sanman Divas' (International Indigenous Peoples Day) with communities around our Education Centre for Tribal Children in Igatpuri. The children honoured their culture through displays of tribal art and songs. Amidst celebrations, the villagers were encouraged to work collectively towards holistic and sustainable development of their community.

On Teachers' Day, we took the opportunity to appreciate the efforts of our teachers who have worked relentlessly towards providing the students at Aseema a solid platform with high quality value based education. We thank Sahara Star Hospitality for their warm hospitality in making this a memorable day for our teachers.

Sushmita Agarwal, an Aseema Alumni is a girl full of life with many aspirations. Her never failing attitude and determination to excel has enabled her to maximise her potential. She successfully completed her Bachelors in Science in Chemistry with a score of 70% from R. D. National College. As the eldest child, Sushmita has always made efforts to contribute towards the family. She has also motivated her mother to complete Standard XII and encourages her younger sisters and peers from the Aseema Alumni to complete their graduation. She clearly believes that failure will never overtake her if her determination to succeed is strong enough.

Sushmita Agarwal

Aseema Calendar 2017

On the auspicious occasion of Diwali, we are pleased to introduce our festive range of products including greeting cards, aromatic candles, incense sticks to spread joy and happiness.

We invite you to soak in the beauty of India's seascapes with a copy of Aseema's Calendar 2017.

Do visit our Products Office at Khar or log on to <http://www.aseema.org/products-0> to purchase our products.

For helping our children expand their horizon, our sincere thanks to -
