Entering into a crucial phase in life, Sachin Mishra, our S.S.C. Topper says “I want to be many things. Either an astronomer, mechanical engineer or perhaps get a Ph.D. in Math or Science. I like learning about the solar system that is why astronomy. I am very interested in machines and their functioning so perhaps engineering. However, I am quite sure that I would like to pursue Science.”

We wish Sachin the best on his scientific journey.

Dosi Vakeel Summer Camp 2017

The summer vacation started with over 100 children attending fun and challenging activities at the Dosi Vakeel Summer Camp. Adopting Aseema’s holistic approach, a range of activities such as Story Telling, Inspiring Movies, Cyclothon, Sports, Art & Craft, Cooking, Gardening, etc were organized. The Camp ended with the children realizing that they had to come back to school as learning could be fun and meaningful. We thank all our Resource Persons who volunteered to share their time and skills.

As children were welcomed back to school, it was heartening to hear the corridors resound with squeals of joy. Each child eager to share stories of their summer holidays and hopes for the year ahead. In Mumbai, thanks to United Way of Mumbai, children aged 7 – 12 years attended the Let’s Read Carnival. They enjoyed a guided experience of storytelling, book reading and book selection. It was a treat taking home five books of their choice.

Aseema's Education Centre for Tribal Children, Igatpuri

Our children in Igatpuri too are excited about their upcoming school building, which is nearing completion. Our warm and sincere thanks for helping us build a stimulating and nurturing environment for them. We invite you to the inauguration of the Primary and Secondary Section on Saturday, 16 December 2017.

Latest Range of Aseema Products

The creations of our talented artists from Aseema’s Room 13 - Art Studio have always inspired us to create a wide range of vibrant utility products. Our latest range of products include tea cups, tea infusers, sipper bottles, coasters and many more home decor products. The floral designs make these products a must have this monsoon.

Mark your calendars from

Friday, 6 October 2017 to Sunday, 8 October 2017 for Aseema’s Triennial Art Exhibition. Spend your weekend in leisure at the Cymroza Art Gallery and celebrate the works of our young artists inspired by Paul Cezanne, Sakti Burman, M. F. Hussain, Wassily Kandinsky, etc.

Amidst all the excitement of the new academic year, we were very sad to lose a close friend and advisor Justice P. N. Bhagwati. Credited for introducing Public Interest Litigation (PIL) in India, Justice Bhagwati was a great inspiration to us. Known to the Aseema family since our inception, his presence will truly be missed.

As we enter into a new academic year, let us strive together to achieve our collective dream of AN EDUCATED INDIA.

A big thank you to –
