

Academic Year 2022-23 here we come!

*Climb every mountain,
Ford every stream,
Follow every rainbow,
'Til you find your dream.*

- The Sound of Music

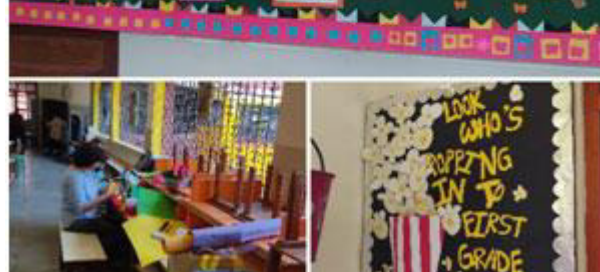

This is indeed a dream come true! All our children are back in school and we are on cloud nine! What a long wait it has been. Excitement mounted as the date for the reopening of our schools neared. Our teachers were deeply immersed in planning, organizing and preparing for D-day. Intense meetings and tons of collaboration across our teams made it possible for us to finally welcome our laughing, bounding, giggling, beaming and cheerful students back into our buildings. Hearing them in the classrooms and in the corridors made us realise just how much we have missed all of them. The children have been looking forward to this day with eager anticipation- they couldn't wait to meet their friends, their teachers, to enter their classrooms and to go back to all the activities that they love! We've tried to capture some of the excitement for you on camera. We hope you enjoy viewing this video. Please click on the above image to play the video and do come back to this tab to read the rest of our newsletter.

The corridors reflected the immense effort put in by teachers. Balloons, welcome messages, vibrant art and craft and lots of fun facts were interestingly displayed all over the building.

The student teacher bond at Aseema was so evident in the smiles of our teachers and the joy of the students on seeing the colourful decorations and balloons all over their school.

Training sessions were conducted on Activity Based Learning (ABL) in Languages and Math. IT training sessions were held as a refresher and to orient the new teachers.

There were orientation sessions for the new teachers too! Our new joiners also immersed themselves into the culture and philosophy of Aseema. The new year will see many firsts – technology integration into the lesson plans, blended learning and programme enrichment. We are sure Team Aseema will make this yet another enriching year for all our students.

Batch of 2021-22 – You've done us proud!

No. of students who appeared for the exam: 190

Pass %: 98.95%

No. of Distinctions: 35

No. of First Class: 84

Congratulations to all our students who appeared for the SSC exams and made us super proud with their results! Their hard work, determination and focus has paid off and we

School-wise Toppers		
School	Student Name	% Marks
Kherwadi Municipal School, Mumbai	Laxmi Vishwakarma	84.20
Santacruz Municipal School, Mumbai	Anjali Yadav	89.60
Aseema Bal Shaikshani Kendra, Igatpuri	Savita Aivali	85.60

Overall Aseema Toppers	
Student Name	% Marks
Anjali Yadav	89.60
Aarati Rupnur	87.40
Kamlesh Gupta	86.40

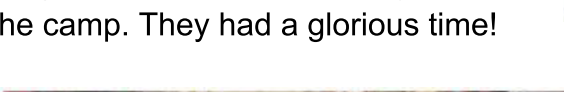

wish them only immense success in everything they set out to achieve. The year had many changes and uncertainties, but our students have demonstrated tremendous resilience and fortitude in the face of adversity.

Keep Calm and CAMP

April 2022 was the month of camps. From Sports camps, to Scouts and Guides Camps, to Summer Camps, there were many engaging and constructive activities for our children in Mumbai and Igatpuri.

Sixty-five students from Aseema's four schools set out for Igatpuri to participate in all kinds of activities like football, volleyball, handball, judo, langadi, kho kho, carrom, mini marathons, hiking, chess, stargazing, a marathon run and much more. Nutritious meals were provided every day. Sportsmanship, camaraderie, healthy competition and skill acquisition are just a few of the takeaways from the camp. They had a glorious time!

A Sports Summer Camp was held at Pali Chimbai Municipal School for Grades III to VIII.

Around 120 students participated in games such as Football, Volleyball, Handball, Langadi, Kho kho, Judo and several other recreational activities.

Watching the children cheer for each other, exhibit team spirit and sportsmanship was pure joy. Our teachers couldn't escape the adrenalin rush either and were there to cheer vociferously for our bright sparks every step of the way.

International Yoga Day

As part of the #25YearsOfAseema celebrations, we wanted to highlight the beauty and power of yoga through our incredible students. What better way than to do this on International Yoga Day!

Strength, stability, flexibility, resilience, peace, deep thinking and focus are just some of the attributes and skills our children learn every day.
